

Programme: WEDNESDAY 29th JUNE

1.00-2.00	Registration	Portland Building
2.00-3.30	WORKSHOP 1: B6 Natalie Tobert: Research Paradigms in CAM	WORKSHOP 2: B9 Martien Brands & Marie Polley: CAM Research Funding
3.30-4.00	Tea	Concourse
4.00-5.30	WORKSHOP 3: B6 Alison Denham: Trial Methods & Placebos in CAM research	WORKSHOP 4: B9 Lionel Milgrom: Quantum Perspectives on CAM research
8.00 – 11.00	Bar Open	Lenton & Wortley
8.30 – 10.00	Drumming workshop	Lenton & Wortley Common Room

Programme: THURSDAY 30th JUNE

7.45-8.45		Breakfast	Lenton & Wortley
8.30-9.30		Registration	Portland Building
9.30-10.30	OPENING SESSION	Conference Opening Keynote Speech: C11 Professor Merrijoy Kelner University of Toronto 'The Status of CAM: where are we now?'	
10.30-11.00		Coffee	Concourse Lounge
11.00-12.45	SESSION 1	RESEARCH PAPERS B6, C40, C50	WORKSHOP: C41 Linda Loganathan
12.45-2.00		Lunch	Concourse Lounge
2.00-3.45	SESSION 2	RESEARCH PAPERS B6, C40, C50	WORKSHOP: C41 Robert Shaw
3.45-4.15		Tea	Concourse Lounge
4.15-5.15	SESSION 3	POSTER PRESENTATIONS Concourse Lounge	WORKSHOPS: Nina Nissen B6 Maria Tighe C41 VIDEO/RESEARCH PRESENTATION: C40 Josephine O'Gorman
6.30-8.30		Conference Dinner	Aqua Arts Centre
8.00-12.00		Bar Open	Lenton & Wortley
9.00-10.30		5 Rhythms Dance	Lenton & Wortley Common Room

TIMING:

Research paper sessions last for 1 hour 45 minutes, which consists of 20 minutes for each spoken presentation plus 10 minutes for questions and discussion. We have allowed for 5 minutes changeover time between each paper for those wishing to change sessions and to encourage good time keeping by presenters!

Programme: FRIDAY 1st JULY

7.45-8.45		Breakfast	Lenton & Wortley
8.30-9.00		Registration	Portland Building
9.00-10.45	SESSION 4	RESEARCH PAPERS B6, C40, C50	WORKSHOP: C41 Catherine Scanlon
10.45-11.15		Coffee	Concourse Lounge
11.15-1.00	SESSION 5	RESEARCH PAPERS B6, C40, C50	WORKSHOP: C41 Wilna Dirkse Van Schalkwyk
1.00-2.00		Lunch	Concourse Lounge
2.00-3.30	CLOSING SESSION	Plenary Discussion Keynote Speech: C11 Professor Geoffrey Samuel Cardiff University 'Beyond Biomedical Assimilation'	
CONFERENCE ENDS			

SESSION 1: THURS 11.00-12.45 RESEARCH PAPERS:**METHODS:****CHAIR – Jen Dale****Mary Fox**

Peninsula Medical School, Exeter

*Can randomised controlled trial methods be applied to CAM research?***Dr George Lewith**

University of Southampton

*2 Clinical trials: efficacy of acupuncture in chronic pain & the neural substrates that may be activated by both "expectation" and real acupuncture***Dr Hugh MacPherson**

University of York

*Can individualised treatments be standardised? A consensus method to develop a treatment protocol for a trial of acupuncture for depression***USERS:****CHAIR – Linda Gibson****Gilli Gladman & Prof Andrew Long**

Big Life Services/Community Health Action Partnership

*Delivering and Evaluating Complementary Therapies in Deprived Communities: 'be well, stay well and join in!'***Dione Hills**

Tavistock Institute

*Complementary therapies in the community***Dr Stuart Whomsley**

MOSAIC Centre

*An evaluation report of a complementary therapy service in a mental health setting***PRACTICE:****CHAIR – Dennis Donnelly****Prof Guido Giarelli**

University of Bologna

*The Ambivalent Integration: State, Alternative Medicines, Medical Profession and Citizens in the Italian NHS***Dr John Crellin**

Memorial University of Newfoundland

*To what extent should the humanities be part of the practice of and education in complementary/alternative medicine?***Ayo Wahlberg**

London School of Economics

*From marginalisation to responsabilisation – on how the 'fringe' became the 'alternative'***SESSION 2: THURS 2.00-3.45****RESEARCH PAPERS:****METHODS:****CHAIR – Alex Ryan****Dr Lionel Milgrom**

Imperial College of Science, Technology and Medicine

*Are double-blind placebo-controlled trials (RCTs) redundant for testing the efficacy of homeopathy? A critical assessment of RCT methodology from the standpoint of macro-entanglement***Mark Abadi**

Centre for Biofield Sciences/Human Energy Field Research

*Explaining various forms of light analysis derived from 1,000 case studies in addition to a 4 way comparison of energy field scanning devices***Dr Martien Brands**

University of Liverpool

*An instrument to compare diagnostics in Complementary Medicine***USERS:****CHAIR – Nina Nissen****Felicity Bishop**

University of Southampton

*Why do people (re)turn to complementary medicine? A qualitative study***Dr Sheila Greenfield**

University of Birmingham

*"I didn't want to keep going to the GP..." Self-care behaviour and attitudes among cardiac patients***Lauren Brooks**

University of Durham.

*'I just don't want to pump my body full of chemicals': Risk, embodiment and the consumption of CAM***PRACTICE:****CHAIR – Helen Caton****Mary Doyle**

MIDIRS (Midwife information resource service)

*An Exploratory Study into Reflexologists' Preparation for Providing Reflexology in Pregnancy***Nicola Kay Gale**

University of Warwick

*Managing uncertainty in learning: a key theme in practitioner training***Gill Bayton**

University of Surrey

Complementary Medicine? Reflexologists views on integration within the NHS

SESSION 4: FRI 9.00-10.45**RESEARCH PAPERS:****METHODS:****CHAIR - Tim Duerden****Salim Khan**

The Moshin Institute

*Traditional Islamic Medicine (Tibb): A Model of Continuity & Change***Marie Wardle**

Psychology Consultancy Service/University of Manchester

*Working With Suppression Via The 'Bridge' of Psychic Energy: An Integrative Counsellor's Perspective***John Power**

Queens University Belfast

*Health and Healing Practice: energy concepts and nurses' perspectives***USERS:****CHAIR – Christy Barry****Dr Helle Johannessen**

University of Southern Denmark

*Actor-networks of the body: power, sociality and metaphors of the body in alternative forms of medicine***Lisbeth Rostgaard**

University of Southern Denmark

*Women's Concepts of Health, and the Body***Dr. Richenda Power**

British School of Osteopathy

*Bodylearning: Osteopathy In A UK Special Primary School For Children With Emotional And Behavioural Difficulties***PRACTICE:****CHAIR – Linda Gibson****Nicholas Haines**

The Nottingham Natural Health Centre

*Are all patients equal? Self-referral and GP referrals to CAM practitioners***Dr Marie Polley & Caroline Hoffman**

Breast Cancer Haven

*An Integrated Approach to Healthcare at Breast Cancer Haven***Geoff Heath**

ACHRN

*Regulation: Principles, Issues, Perils and Prospects***SESSION 5: FRI 11.15-1.00****RESEARCH PAPERS:****METHODS:****CHAIR – Bob Shaw****Sylvia Schroer**

University of York

*The potential therapeutic niche for acupuncture as a treatment for depression in primary care***Prof. Andrew Long**

University of Leeds

*Treatment of Ménière's Syndrome using CAM***Julie Smith**

University of Westminster

*A critical reflexive inquiry – a transformational process as a practitioner researcher***USERS:****CHAIR – Helen Caton****Maggie Evans**

University of Bristol

*How do male cancer patients get information about CAM and about their illness? The role of the internet, its' potential and pitfalls***Karen Pilkington**

RCCM/University of Westminster

*Exploring website narrative: evidence for and against CAM***Natalie Lynch**

Reading University

*Perception and communication of information about herbal medicines***PRACTICE:****CHAIR – John Hughes****Lesley Wye**

Bristol University

*Watching & Being Watched: Experiences of Observing Acupuncture Consultations in Private and NHS Settings***Dr Elaine Weatherly-Jones**

Sheffield University

*Homeopathic Treatment – exploring the process***Clare Hill**

University of Southampton

Patient/practitioner interaction, non-specific effects and acupuncture in the treatment of lower limb osteoarthritis

SESSION 3: THURS 4.15-5.15

POSTER PRESENTATIONS:

Dr Laszlo Buda & Dr Kinga Lampek
New Plans of CAM Education in Hungary

University of Pecs

Xiaolei Yang
Traditional Chinese medicine practitioners in the UK

University of Nottingham

Dr Charlotte Chalmers & Dr Robert Mathie
A survey of treatment of Gynaecological conditions by Faculty of Homeopathy Practitioners

Napier University/Faculty of Homeopathy Luton

Isabela Collins
How does the experience of Massage differ when Reiki techniques are deliberately used or not used?

Dr Fiona Coyle
*Environmental Illness **** STILL TO CONFIRM *****

Anna Ejindu
A study of the effects of foot and facial massage on sleep induction, and the physiological parameters of blood pressure, pulse and respiratory rate: a pre-clinical methodological pilot-study

South Bank University

Graham Ewing
Virtual Scanning

Montague Diagnostics Ltd

Dr Nasim Kanji
Stress Management Through Autogenic Training: A Randomised Controlled Trial

Buckinghamshire Chilterns University

Anne Majumdar & Dr N Adams
A Comparison of Medically Qualified and Non-Medically Qualified Homeopathic Practitioners in the UK

Liverpool John Moores University

Stuart Whomsley
An evaluation report of a complementary therapy service in a mental health setting

MOSAIC Centre

VIDEO & RESEARCH PRESENTATION:

SESSION 3: THURS 4.15-5.15

Josephine O’Gorman
Integration of Homeopathy into Service Provision for African Women who have experienced Female Genital Mutilation

Waltham Forest PCT

PRACTICAL WORKSHOPS:

SESSION 1: THURS 11.00-12.45

Linda Loganathan
Mandalas for Self Expression and Healing – An Experiential Workshop

SESSION 2: THURS 2.00-3.45

Dr Robert Shaw
Therapist and Researcher Embodiment

ACHRN

SESSION 3: THURS 4.15-5.15

Nina Nissen
Experiential Workshop with Herbs
Maria Tighe
The Point of Location – Reflexology Workshop

Open University

Brunel University

SESSION 4: FRI 9.00-10.45

Dr Catherine Scanlon
Shiatsu Treatment Workshop

Shiatsu Health Centre/Open University

SESSION 5: FRI 11.15-1.00

Wilna Dirkse Van Schalkwyk
The Application of Sound Therapy: An Experiential Workshop

Nottingham University
